

BUFFALO JOURNAL
VOL. 22 NO. 1 APRIL 2006
CONTENTS

Original Article

- Semen Quality of Thai Swamp Buffalo Artificial Insemination Bulls: Comparison of Production Data from 1988-1993, 2001-2004 and 2004-2005, *Seri Koonjaenak, Annop Kunavongkrit, Vichai Chanatinart, Sudson Sirivaidyapong, Tanu Pinyopumimintr and Heriberto Rodriguez-Martinez*..... 1
- Wallowing Behaviour of Swamp Buffalo (*Bubalus Bubalis*) Heifers under Continuous Stocking during the Summer in Northeastern Thailand, *P. Sompan, M.j. Gibb and C. Vajrabukka*..... 11
- Long Term Effects of Heat Exposure on Nutrient Digestibility and Digesta Flow Rate in Buffalo Calves, *J.P. Korde, S.V. Jadhao, V.P. Varshney, G. Singh and D.C. Shukla*..... 25
- Growth Hormone: A Key Factor for Pubertal Process in She Buffaloes (*Bubalus Bubalis*), *A. Haldar, B.S. Prakash, Vijay Paul and D. Majumdar*..... 33
- Effect of Nonluteal and Luteal Oviductal Proteins on Buffalo Spermatozoa Function During Cryopreservation, *A. Kumaresan, M.R. Ansari and Abhishek Garg*..... 45
- Genetic Diversity of Bangladeshi Water Buffalo Populations Estimated by Blood Protein and Mitochondrial DNA Polymorphism, *M.O. Faruque, Ahmed Ali, Yukimizu Takahashi, Koh Nomura, T. Kono, Hirofumi Hanada and Takashi Amano*..... 55

Brief Communication

- Serum Energy Homeostasis and Lipolysis Activities of Swamp Buffalo heifers under Restricted Feeding, *Kanchana Markvichitr, Pongchai Klinhorm, Apassara Choothasa and Chaiyapoom Bunchasak*..... 75
- Molecular Characterisation of Murrah Buffalo Using Cattle Microsatellite Markers, *S. Gayathri, A. Subramanian, S.N. Sivaselvam, S.M.K. Karthickeyan, P. Kumarasamy, R. Saravanan and G. Dhinakra Raj*..... 85
